CONCORD, NEW HAMPSHIRE

NOTICE OF PUBLIC MEETING

This notice is given to invite the public to a Public Informational Meeting regarding the Public Health Assessment of the Ambient Air Quality of Claremont, NH. This health assessment was conducted by the Environmental Health Program within the New Hampshire Department of Environmental Services.

A public information meeting is scheduled for **Wednesday, April 22, 2009** from 6:00 pm to 9:00 pm at the Claremont Senior Center located at 5 Acer Heights Road in Claremont, NH. At the meeting Environmental Health Program staff will present the findings of the report, discuss the data analysis, and answer any questions. The report titled, Public Health Assessment of the Ambient Air Quality of Claremont, NH is available at the Department of Environmental Services' website at www.des.nh.gov under What's New. Copies will also be available at the Claremont Library.

Additional information may also be obtained by contacting Eric Abrams at 603-271-5870 or eric.abrams@des.nh.gov
